

Dance Day celebrations

On the 29th of April Dance Day is celebrated all over the world by millions of dancers. It is an initiative of the International Dance Council CID at UNESCO, Paris, the official summit organization for Dance.

Visit the official website www.danceday.cid-portal.org to find:

- Guidelines and ideas for celebrating
- The official message for Dance Day this year, as well as previous messages
- Events by country, region and city
- How to design your flyer and send it to be posted there.

Please forward this message to your contacts and to the media. We want Dance Day to become as well-known as Mother's Day.

With my best wishes for our Day
